**SECOND REQUEST FOR COMPLETE REFERENCE**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Referring to our previous Request for Complete Reference mailed January 4,  
2001, this is Applicant's second request for the Patent Office to furnish applicant's representative  
with a complete copy of U.S. Patent No. 6,029,064 (Farris et al.). There has been no response to  
the previous Request.

In the Office Action mailed December 20, 2000, Farris et al. is cited as a reference. However, the copy of the Farris et al. reference supplied to applicant's representative is incomplete in that the page containing Sheet 1 of the drawings is missing. Accordingly, so that applicant's representative can best appreciate the relevance of the Farris et al. reference, it is requested that a complete copy thereof be furnished; and that the term set by the Office Action of December 20, 2000 be reset with the mailing of such complete reference.

Respectfully submitted,
